

****New Model ** Two Zone Programmable Thermostat**

Author: Heatmiser Support

Saved From: <http://www.heatmiser.co.uk/support/article-69.html>

**** New Model Product Notification ****

Our two zone, touch screen programmable thermostat is set for launch around the 1st July 2009.

This model provides control of two zones. We have it in mind that this model will be used primarily for bedrooms with ensuite, as the second zone is controlled by the remote sensor (supplied) and is suitable for use in ensuites.

This model will be available in Network and 230V, prices have been set now - please contact Sales on 01254 776343 for more information
